## KY. REGIMENTS.

All Four of Them Will Remain  
in the Ser-  
vice.

The Fourth Will Go to Knoxville  
and the Third Will Probably  
Stay at Lexington.

Adj. Gen. Corbin Saturday issued  
a list of all the volunteer troops that  
have been ordered mustered out, and  
also of the regiments that are to be  
retained in the service for the present.  
Included in the list of troops retained  
until further notice are all four of  
the Kentucky infantry regiments, the  
One Hundred and Sixty-first Indiana and  
the Four Tennessee regiments.  
The Fourth Kentucky regiment has  
been ordered to Knoxville for fall  
and winter camp; the second will go  
to Annapolis, Md.; the First regu-  
ment is now in Porto Rico, where it  
will remain, and the Third is now at  
Lexington, but expects to be sent to  
Cuba, to do Garrison duty, early in  
the fall.

## ACCEPTS A GOOD POSITION.

Mr. Eugene C. Gleaves will Travel  
For the Cleveland Cycle Co.

Mr. Eugene C. Gleaves, the well  
known bicycle man of Gleaves & Son,  
has accepted a position with the  
Cleveland Bicycle company as travel-  
ing representative, with a territory in  
Kentucky and Tennessee.

Mr. Gleaves is one of the best  
known and most popular young men  
in Paducah, and that he will make an  
excellent representative goes without  
saying.

He expects to start out about  
October 1st, and may move his fam-  
ily temporarily to Dawson.

## COUNCIL TO ADJOURN.

The Regular Meeting Will Be De-  
ferred Until Tomorrow.

The council will meet tonight in  
regular session, but on account of its  
being Labor Day, will simply meet  
and adjourn over until tomorrow  
night.

The council and school board will  
then both be in session.

## SEWERAGE WORK.

Contractor Ertler will Finish North  
of Broadway.

Contractor Wm. Ertler has notified  
Mayor Lang that he has an extra  
force of workmen on their way here,  
with a new foreman, and will begin  
work at once on the lateral North of  
Broadway, and lay all the sewers to  
go North of Broadway before doing  
any further work south of Court.

The steamer Cowling will run  
special excursion trip to Metropolis,  
Monday, Sept. 12, to accommodate  
all who desire to attend Ringling  
Bro. circus. Boat will leave promptly

formance begins at 7:30.

## FORMALLY OPENED.

Splendid Weather, Interesting  
Ceremonies and Immense  
Crowds Mark the G. A.  
R. Opening.

Cincinnati in Holiday Attire, and  
the Freedom of the City Given  
to the Members of the Grand  
Army of the Republic.

Cincinnati, O., Sept. 5.—Cool  
weather has succeeded the terrifically  
hot weather of the past week for  
which all G. A. R. men are thank-  
ful. The crowd that is now here to  
attend the annual encampment of the  
G. A. R. is immense and thousands  
are pouring into the city every hour.  
Rear Admiral Kelly and his staff  
arrived this morning and their re-  
ception was the first event of the  
day. It was followed by the open-  
ing of the Naval Veterans harbor.

At noon Commander in Chief  
Gobin arrived and was given a rous-  
ing reception, which was followed by  
the formal opening of his headquarters  
at 12:30 p. m.

The principal events of this after-  
noon are the dedication of Camp  
Sherman, the opening of the Naval  
Veterans convention and the arrival  
of the Kentucky contingent, which  
will be very strong this year.

Cincinnati is today in holiday at-  
tire. Everything has been done pos-  
sible to make the encampment a suc-  
cess, and the veterans of the G. A.  
R. are now in charge of the city.

## ALL FOR FIFTY CENTS.

Leonard Howard is now a Mur-  
derer and a Fugitive.

Versailles, Ky., Sept. 5.—For a  
fifty cent gambling debt, Leonard  
Howard, of this city, is now a  
murderer. His victim is Tillman  
Spears. Both are residents of this  
county. Howard has escaped but  
will doubtless soon be arrested. The  
murder was committed today.

## POLICE NEWS.

Short Session of the Police Court.  
Several Plain Drunks Were  
Docketed.

One Man Pleaded Guilty to Petty  
Larceny—Trouble on  
the Levee.

Reage Pearce, colored, pleaded  
guilty to stealing some clothing and  
other things from a man named Law-  
rence at a warehouse, and was held  
over to the grand jury.

Jim Wilkins, for a breach of the  
peace, was fined \$10 and costs. He  
went down to the home of James  
Burgess and threatened him with a  
pistol.

Polly Hicks and Harry Mack were  
charged with a breach of the peace,  
and the latter was fined \$20 and  
costs.

Ben Harris, Ed Simms, L. Sullivan,  
Gus Hart and K. J. Harrison were  
fined for drunkenness.

There was a theft on the Sub-  
Dudley last night or early this morn-  
ing. A pair of shoes and one dollar  
were taken from a colored roustabout  
and the thief, who was also colored, ran.  
Officers Goureaux and Smedley started  
in pursuit and shot at him several  
times, but did not catch him.

There was a fight on the levee this  
morning early between two rousta-  
outs on some of the boats at the wharf.  
The officers also went in pursuit of  
them, but they escaped.

Mayor Lang told a good joke on  
City Clerk Patterson and Chief  
Hoyer. The mayor recently ex-  
changed his typewriter for a new one,  
and was allowed on the old one, \$35  
on the new. He was told by the  
company to ship the old one to St.  
Louis, and the mayor had Clerk Pat-  
erson, who was acting as agent for  
the new concern, to pack it. The  
clerk and Chief Hoyer spent several  
hours one night packing the case, and  
on Monday morning received a letter  
from headquarters, saying that they  
could not use the bottles and rags  
found in the case. The gentlemen  
who packed the supposed typewriter  
had only packed the case, and left  
the machine in a drawer. The case  
was full of bottles and other rubbish,  
and for this reason they thought  
the machine was inside.

The mayor is in receipt of a letter  
from S. L. Usley, of Texas, thanking  
him for information relative to Frank  
Wise, who was last heard of here.  
The mayor ascertained that Wise  
went from here to Dexter, Mo., and  
is now there.

Willis Mount and John Lydon, an-  
nouncers of West Court street,  
are in jail serving out the costs on a  
case of two assessed against them in  
the county court a few weeks ago.  
They will remain until Friday.

Mayor Lang discovered the rear  
door to the furniture factory's store  
rooms, near the market house alley,

More Sickness Is Reported  
From Camp Wikoff,  
New York.

Washington, Sept. 5.—It is now  
determined that the First Kentucky  
regiment will soon be recalled from  
Porto Rico, probably in the next  
thirty days and it will be mustered  
out as soon as it reaches home.

The war department has decided  
that none but regulars will do garri-  
son duty in Porto Rico.

this morning for their respective  
states to be mustered out.

Montauk, Pt., L. I., Sept. 5.—  
Three hundred more sick soldiers ar-  
rived here this morning and the hos-  
pitals are now overcrowded. Over a  
hundred men are sleeping on tent  
floors.

LABOR DAY.  
There Were Many Celebrations  
in and About the  
City.

Attractions Everywhere, and the  
Working Men Had His  
Choice.

This is Labor Day, and if ap-  
pearances are to be relied upon it  
has been appropriately commemorated  
by the hundreds of laboring men and  
their families in Paducah.

There were various attractions  
both on this and the other side of the  
river, and each attraction seemed to  
get its quota of the crowd.

Across the river elaborate prepa-  
rations were made for a good time, and  
many people went over.

At La Belle park there were picnic  
parties and bicycle races. The bar-  
becue was declared off, as the candi-  
dates could not be secured for the  
occasion, to hold their joint debate.

There was also a good time to be  
had at Ramona park, and the street  
cars did a good business.

The railroad men and the employes  
of nearly every industry were given  
a holiday, if they desired to take it.  
The city was full of men early in the  
day, who were in holiday attire.

The chain gang was given a holi-  
day, and was presented with several  
fine watermelons by the mayor. Need-  
less to say the feast was enjoyed, not  
that they don't feast every day, but  
because watermelon was a luxury to  
many of them, especially the colored  
prisoners.

There was a very small force of  
workmen on the streets, and at work  
on the sewers. All who desired were  
given a holiday.

This afternoon the stores, with few  
exceptions, closed, and quite a crowd  
went out to the bicycle races, despite  
the fact that the weather was some-  
what threatening. There will be  
races tomorrow also.

The postoffice and banks were  
closed today, only one delivery being  
made at the former. At the govern-  
ment building, everything was very  
dull and uninteresting.

About 8 o'clock this afternoon a  
storm came up and threatened to  
break up the various attractions, and  
there was considerable alarm among  
many of those who were present and  
intended to go. At prearrange, how-  
ever, it looked like the rain might  
blow over.

OPERATED ON FOR  
APPENDICITIS.  
Dr. J. G. Brooks went to Me-  
tropolis Saturday and operated on a  
son of Mr. Dave Austin, a wealthy  
citizen, for appendicitis. The boy  
was in a bad condition before the  
operation was performed, and it is  
now thought his life can be saved.

HOUSE BURNED.  
A small box house belonging to  
Mr. August Wirth, on the Mayfield  
road, was destroyed by fire Saturday  
night, origin unknown. It had been  
vacant, but a family was moving into  
it. The fire department went out,  
but could not reach the conflagration.

CHURCH NOTICES.  
On next Sabbath the Broadway  
Methodist church will begin a re-  
vival. The pastor will be assisted by  
Rev. W. J. McCoy, of Clinton, Ky.  
Mr. McCoy has assisted the pastor  
in four meetings and all were suc-  
cessful. He is an excellent preacher.  
All the people in the city are re-  
quested to co-operate.

The board of officers of the Cum-  
berland Presbyterian church will  
meet this evening at 7:30 p. m.

## A GOVERNMENT CONTRACT.

Mr. J. W. Hedges, of the city,  
was today notified that he has been  
awarded, by the department, the con-  
tract for repairing the basement  
floor, area floors, putting in cesspools  
at the government building for the  
sum of \$171.05, he being the lowest

## SUES FOR DIVORCE.

This Couple Have Thirteen Chil-

Narcissus Hite today filed suit in  
the circuit court against her husband,  
William Hite, for divorce. She al-  
leges that they were married sixteen  
years ago, and have thirteen chil-  
dren.

She wants a divorce because, she  
says, her husband drew a pistol on  
her and threatened to "blow her  
brains out."

## JERRY PORTER

Re-Announces His Candidacy for  
Congress From This  
District.

He Urges the Republican Com-  
mittee to Take Action  
Quickly.

Editor Paducah Daily Sun, Padu-  
cah, Ky.  
Dear Sir:—From daily inquiries of  
my friends relative to my race for  
congress, I find that many have lost  
sight of the fact that I have already  
announced my candidacy subject to  
the action of the committee and the  
party, making it necessary for me to  
emphasize my candidacy, and I take  
occasion to say that when I made my  
race for railroad commissioner I con-  
sidered to do so in the face of seeming  
great odds, solely in the interest of  
my party—paid my own expenses,  
never having called for nor receiv-  
ing a cent from the campaign com-  
mittee.

The unfortunate circumstances of  
a law technically that left my op-  
ponent to "draw the salary" justly  
did me, has in no way discourag-  
ed me in my willingness to serve my  
party when duty calls me, and as it  
has been said that it is very late to  
make a nomination now and raise  
necessary "funds" to defray ex-  
penses of a campaign, of that I wish  
to say: I want the committee to make  
a nomination immediately in time to  
get out the voters who live where it is  
necessary to register, and if I be  
chosen as the nominee of the com-  
mittee, I will attend to the matter of  
funds, and I am ready with my part  
for campaign purposes for any one  
else who may be chosen in my stead.

I want to see an aggressive move  
made by our party in this district  
upon the issues of the day, and I  
want no man to say "there is no  
chance to win." There is a chance  
and there is a way, and if the com-  
mittee will do their part and do it im-  
mediately the good people will do the  
rest. Let us profit by the un-  
fortunate split in the second district,  
and go to our duty with a solid front,  
united and harmonious.

Lightning last night struck the  
Mackville church during the services.  
Two persons were so badly injured  
that they will die; they are Mrs.

ASSAULTED IN THE YARDS.  
Tom Shanahan, a tinner from  
Clarksville, Tenn., appeared at Dr.

with several ugly wounds. He said  
he was walking along the track in the

there was also a stab wound nearby.  
He knew the identity of his as-

## "LET US HAVE PEACE"

"Peace hath her victories no less renowned than war."  
"To the victors belong the spoils."

To our customers belong the profits this week. We have met the enemy and we've got 'em.

WE HAVE SILENCED THE FORCES OF HIGH PRICES with the bargains we sold to the trade. Our figures, at all times the LOWEST, now knock all the rest in the shade.

From our dress goods may yet be selected some choice things in hot weather stuff, on which we won't quote any prices, though others do that for a bluff. These goods you can have as you wish them; yourself make the prices to suit. And when you have spent a few dollars you get a fine picture to boot. We are selling the handsome DRESS SKIRTS ever sold in this end of the state; for less than the goods can be bought at, all home made and right up to date. Our LADIES WEAR the latest fashions, and look lovely on crepe de chene, four, four styles, which are over the latest fashions, and women declare. And the men folks never forget us, when leading NICE SHIRTS and FINE SHOES. They know we keep the assortment from which they can easily choose.

Our SHOES are the best and cheapest on top of the earth—or below—and every last pair is "solid" as the rocks in the FORTS OF MORRO. You may fancy this quite out of reason, but a trial will prove it is true. Just to wind up for the season, FORTY CENTS buys a LOW-QUARTER SHOE.

In GAITERS and BUTTONS and LACES we can fit every foot to a "T." "Cosia George, how dainty your feet look!" "I wear Dorian's shoes—don't you see?"

Rich people are pleased with the beauty of our LINES. LACE CURTAINS and RUGS, and other folk think it a duty to follow the taste of "big bugs."

Our trade is increasing and healthy—our prices creating a mass; we hold fast the trade of the wealthy, and "the poor we have always with us."

Our PICTURES—the gems of IMMOBILITY—in every "sweet home" ought to be, when just for a few dollars' purchase, you're welcome to some of them free.

All will admit the above contains "more truth than poetry."

Everybody come to this winding-up sale of the season.

## ALL EYES

Require spectacles sooner or later. DEFECTIVE eyes, unless strengthened with glasses, become more weakened. The proper glass can often work PROTECTIVE wonders if USED IN TIME, but it can't restore weakened eyes brought about through neglect.

If it's glasses you need, you will be so informed by

## A STUDY IN BULLETINS.

How the Spaniards in Slowly Made Awaire of the Painful Facts.

In Spain evil tidings seem to reverse the usual custom by traveling slowly. This peculiarity was especially noticeable in the case of the disaster to the Cervera fleet. Here, for instance, is about the way the news of the Schley victory reached Madrid. It came in easy stages and by cumulative approaches, and seemed, as it were, to illustrate a new theory of evolutionary truth-telling:

1. It is understood that Admiral Cervera has taken his fleet from under the very noses of the Yankee pigs, and sailing through their midst has calmly and deliberately withdrawn to a port previously decided upon. The Yankees shrunk back in terror when they saw his dignified approach, and quickly made room for him. He threw a few shells into them as he passed, one of which penetrated the flagship and killed 43 men. The brave admiral and his gallant ships will be heard from.

2. It is understood that Admiral Cervera's fleet left Santiago harbor. Heavy cannonading was heard outside the entrance, and it is believed a naval battle is raging. At the present moment the Yankee ships are in full retreat.

3. Admiral Cervera's fleet turned westward from Santiago and stood well in toward shore. While the ships rapidly steamed ahead, the two torpedo boats lingered behind and kept the Yankee cowards at bay.

4. The torpedo boats, after inflicting incalculable damage on the enemy, were finally disabled.

5. It is stated that Admiral Cervera has harassed the Yankees greatly by his mastery strategy in leading them on. At this hour he is rapidly advancing toward the Windward passage, with the Yankee ships in close pursuit. It is believed he will soon have them where
